Dear Benefactor,

Thank you for your generous donation.

Don Bosco taught us to be grateful towards our benefactors and wanted us to pray for them every day. That is what we do for you, together with our poor and most abandoned children and young people

“My dearest children, near or far, I always think of you. My only desire is to see you happy”. (Don Bosco)

A few days ago, they buried 15 street children. 15 small coffins! At the farewell ceremony, only a few street children attended in their poor rags, mostly barefoot. The newspapers reported the news and nothing more. Some say they were killed on the street, by mob justice, or that they died of an untreated disease, or starvation That's all. A few days later, no one speaks of them anymore. Did they start any investigation? Who knows? Are they children of God? As long as children are forced to be born and live in misery, history will repeat itself in an even more dire form.

Let us unite to love these children. Too many suffer. Too many children are born without rights. Let us commit ourselves to love them. We want them happy, because we want rightly call them children of God. With love, a big thank you, also on behalf of our children. fr. felice
