Dear Benefactor,

Thank you for your recent generous donation.

In the year of Hope, Jesus invites us to give it to our neighbours. Thank you because you generously donate Hope to the children of Don Bosco.

“Whoever protects the poor will be rewarded by God”

(One of the last sentences written by Don Bosco, before his death, on the back of a small image of Mary Help of Christians).

In the photo, we see Irene and Stella, from the Don Bosco Development Office and Don Bosco Missions in Nairobi, visiting our Korr Mission, in the Kaisut desert, in Kenya. Hopeless children? Looking at them, it would seem so. But Don Bosco is working

among them with a medical dispensary, a feeding program, a church, school facilities, a hostel for young people who otherwise would not be able to attend school, many wells dug to give water to the population and ... This is Hope: “I hope because I know that God shows me his love through Don Bosco”. With Don Bosco, Hope becomes certainty with nursery schools, primaries, high schools, universities and, above all, technical vocational centers. We teach young people to do like Don Bosco: "Give generously the hope that you receive".

Thank you because you are the Hope that the Lord gives us, so that we can give it to the many poor young people sent to us by Don Bosco.

With great affection and much gratitude,

Fr. Felice
